Cookies, cheese plates, etc., are needed for the opening. **Andrew** and **Darlene Crow** reported that the prospectus for the photo show will be ready to go up online in a couple weeks. **Rollie Smith** said individual artists could sign up to use the office windows next door to display artwork until the space is rented. Note from the FAL President...

In 2010 the Findlay Art League will continue to offer its membership the opportunity to exhibit their many talents starting in January with the 3D show. Non-members in Northwest Ohio are also most welcome to enter their creations for consideration.

Our membership grew in 2009. We hope that trend continues in 2010.

Good luck and thank you to all those who choose to participate this year. We look forward to a great creative year.

There are three different age groups that meet on different days; Monday's 1st-2nd grade, Tuesday's 3rd-5th grade, and Wednesday's 6th-8th grade. We offer a morning **Home School Program** geared for home school children to meet together and create art projects in the mornings. There are two age groups that meet once a week; ages 5-9 and ages 10-15. Please visit the fall website for class schedule, themes, and registration form at www.findlayartleague.com.
